

QUARTERMASTER SONG

There is cheese, cheese
that brings you to your knees
in the store, in the store,
there is cheese, cheese
that brings you to your knees
in the quartermaster store.

There is tea, tea
but not for you and me
in the store, in the store,
there is tea, tea
but not for you and me
in the quartermaster store.

There are rats, rats
in Wolwerhampton paths
in the store, in the store,
there are rats, rats
in Wolwerhampton paths
in the quartermaster store.

There are beans, beans
that make you feel your jeans
in the store, in the store,
there are beans, beans
that make you feel your jeans
in the quartermaster store.

There 's a cheat, cheat
who never brings the beef
in the store, in the store,
there 's a cheat, cheat
who never brings the beef
in the quartermaster store.
